About DREAMZ Education centre:

DREAMZ was established in 2007 with the sole aim of empowering its students with the knowledge which is relevant to the modern education world. DREAMZ is time tested and trusted pre-process education centre accepted and approved by the students. Unparalleled quality, flexibility and values are the hallmarks of DREAMZ's education program. It is undoubtedly the only institute in West Bengal that gives values for money to students. Our fee is affordable and that includes cost of personalized classroom coaching, exhaustive study materials.

DREAMZ education centre is to equip students, professionals and other faculties with relevant skills to achieve their potential by developing best programs, delivery mechanisms and consistent focus on the process. We believe in walking the extra mile in delivering quality to meet the student's expectation both expressed and implied. We do this for both internal and external students.

DREAMZ believes that effective guidance is the primary need of every student, which would create motivation and instill courage and confidence to face all challenges. And that is exactly what DREAMZ imparts in all its coaching programs. For every course, DREAMZ has a strategic & a well charted program, which aims at harnessing the maximum strengths & energies of students and honing their skills in a well organized manner so that it leads them like a self guided missile to unflinchingly hit the target in the bull's eye.

DREAMZ's vision is to be the most preferred provider of coaching and development of skills and dreams of the students.

From the Director's desk

Dear student,

Welcome to DREAMZ...

Cracking any Top Level Competitive Examinations is all about your perseverance quotient, endurance, learning ability, managing time & stress and zeal to model the path of success drawn by the connoisseur.

To ensure your success in any competitive examinations, we have designed our coaching programme in a scientific manner that develops both your knowledge and your problem solving acumen. To achieve this, we have a team of experienced and most – renowned faculty members, most of them being Teacher, Engineer and Doctors. Our faculty members are dedicated and devoted individuals of highest caliber with a genuine concern for building your future. The academic environment at DREAMZ is highly conducive enabling you to succeed in your efforts.

Our research & development team has developed the finest study material and teaching methodology incorporating the latest trends of different competitive examinations. With times we have very well learnt the diverse needs of Engineering & Medicine aspirant students.

In our efforts to deliver quality education, we emphasize more on the need to establish one to one contact with every student and be attentive to their need so that the teacher can monitor individual's progress and guide them accordingly on the way to success. In fact, the institute is administered with a "people first" philosophy that makes faculty members, staff, administrators and directors - accessible to students.

Upon induction to the DREAMZ, you become a part of a powerful force that propels you towards success. If you will too put your best efforts then I am sure that, together we can conquer any challenge we shall face in future.
Planning and promoting your success.

Sincerely,
Subhadip Ray
Director Academic

The Courses:

CLASSROOM COURSES:-

1. Course on Mathematics, Physics, Chemistry and Biology: For Class XI & Class XII

- a) For State Board: Higher Secondary Examination
- b) For ISC Examination
- c) For CBSE Examination

2. Course for 2 years Classroom program:

For Class XI students

- a) For State Joint Entrance Examination: WB-JEE
- b) For AIEEE
- c) For IIT
- d) For PMT
- e) For IIT & PMT
- f) For AIEEE & PMT

3. Course for 1 year Classroom program:

For Class XII & Passed out students

- a) For State Joint Entrance Examination: WB-JEE
- b) For AIEEE
- c) For IIT
- d) For PMT
- e) For IIT & PMT
- f) For AIEEE & PMT

CRASH COURSES:

4. Courses for Short period starting at November: For Class XII students

- a) For State Joint Entrance Examination: WB-JEE
- b) For AIEEE
- c) For IIT
- d) For PMT
- e) For IIT & PMT
- f) For AIEEE & PMT

TEST-SERIES & MOCKTEST COURSES:-

5. Test Series Courses:-

- a) For State Joint Entrance Examination: WB-JEE
- b) For AIEEE
- c) For IIT
- d) For PMT

6. Mock Test Courses:-

- a) For State Joint Entrance Examination: WB-JEE
- b) For AIEEE
- c) For IIT
- d) For PMT
- e) For HS
- f) For ISC
- g) For CBSE

Corresponding Courses:-

- a) 2 year Corresponding Classroom course
- b) 1 year Corresponding Classroom course
- c) 1 year Corresponding Test-series course
- d) Corresponding Mock test course

Teaching Methodology

"The more you memories, the more you forget, What you understand once, you remember forever"

With such simple philosophy we have designed our Coaching programs which includes the following –

1. Classroom sessions (Theory classes)

With an innovative and strategic approach, DREAMZ's classroom sessions introduces basic fundamentals and concepts of subject in a very lucid and simple manner. All derivations are also done in the classes. This is followed by graduated set of logical, mathematical and numerical examples to firmly grasp the fundamentals and concepts, with their applications in various situations. It develops student's analytical skills and problem solving abilities which is an essential ingredient to achieve success in any competitive examination.

2. Daily Practice Problem sheet:

To monitor day by day progress of the student, DREAMZ has devised a unique concept called "Daily Practice Problem Sheet". Under this plan, student is given 8-10 questions in every class. These problems put emphasis on application of fundamentals and concepts. As these questions clarify even the slightest of doubts, thus student become conceptually very sound. DPPS ignites student thinking process and improves temperament to face new and challenging problems with speed, accuracy and confidence.

3. Study Material:

During the course we provide complete up to date study material for WB-JEE, IIT-JEE, AIEEE, PMT. This study material has been prepared by our experienced subject experts. The study material is self sufficient in all respect; therefore reference to any other material is not required at all. Study material is available in English or Bengali medium.

4. Exercise Sheets:

Along with comprehensive study material, we also provide Exercise Sheets to students as home assignments. These exercise sheets are designed after thorough research and analysis of latest examination pattern of different competitive examinations. We provide sets of exercise sheets for each and every topic which covers all aspect of any competitive examination. The level of questions in these exercise sheets is scientifically arranged that take you up to the highest level of competitive edge with confidence. Exercise sheets give rigorous practice and enhance student's concepts. It also develops capability to use several concepts of different chapters simultaneously. Problems given in exercise sheets cover application of all fundamentals of that topic. Hence, after solving and getting clarified your doubts you can assume that your preparation is complete in the particular topic

5. Doubt Classes:

For each and every topic, we conduct Doubt Removal Classes regularly after completion of theory of that topic. Our faculty members clarify doubts of students to the root level in order to ensure complete preparation in all respect

6. Problem Counter:

To assist all our students even outside the class and to remove their personal doubts which some students do not ask in the routine classes due to hesitation or otherwise, we have developed a unique concept of "Problem Counter". At Problem Counter, a team of dedicated faculty members regularly remain available as per predetermine timetable. If an individual student feels that a particular problem/statement/theory is not clear, then he/she may clarify doubts at Problem Counter in the one-to-one interaction mode. This way, we give complete personal care to each individual student to ensure his/her success

7. Schedule test series, Test analysis sessions, ranks & results:

Preparing well for a competitive examination is one thing but transforming knowledge into success during examination is another. Many students fail to achieve success because they are very

much unfamiliar with the test taking skills or having poor examination temperament. To overcome this problem, we conduct scheduled periodic test series based on latest pattern of respective examination with similar test atmosphere.

Regular test series increases speed, accuracy, tune student to actual examination conditions and develops competitive spirit in order to enabling each students to meet success

8. XL Batch:

At DREAMZ, we not only aim at selection of student in WB-JEE,IIT-JEE, Pre-Medical & AIEEE but also target for top rank. For this, we conduct XL Batch for each course. Students with excellent performance in our internal test series are admitted to XL Batch. Due to high competitive atmosphere, we explore the potential of the students to full extent and we shape them to hit top ranks in WB-JEE,IIT- JEE, Pre-Medical & AIEEE

9. Counseling & Seminars:

Subject knowledge is just not enough for success in IIT JEE. In fact speed, accuracy, confidence, strategy adopted to attempt the questions etc. also play a vital role. Considering these facts, we conduct individual and group counseling & seminars for our students. These counseling and seminar sessions are usually organized with the sole objective to prepare our students completely so that they can face the challenges of IIT JEE with enough confidence and competence

Infrastructure

DREAMZ runs its educational activities at various building in West Bengal. We believe in corporate functioning and our infrastructure is such that it has ample resources laid out in a scientific manner to carry out different activities systematically. For our educational activities viz. classes, tests, problem desk, seminars, R&D and administration; we have distinct infrastructure so that our students get a very congenial environment. The institute spread over the following locations-

- **Sodepur**
- **Sealdah**
- **Dumdum**
- **Dunlop**
- **Barrackpore**
- **Barasat**
- **Naihati**
- **Kalyani**
- **Ranaghat**
- **Durgapur**

Management

We believe in corporate functioning of institute therefore we have structured the entire institute's management in such a way that students get full support without any delay as and as & when needed. We have divided all the academic and non academic activities among different departments. Different departments work cohesively to give extraordinary quick & positive support to all students and accelerate their learning. Information regarding different departments of the institute, their functioning are explained to students on joining the institute to get best & quick support.

Study Material:

Separate Study Material for WB-JEE, IIT-JEE, Pre-Medical, AIEEE as per requirement of the examination

The DREAMZ's study material comprises of a systematic coverage of relevant theory notes on each chapter of the syllabus of respective examination. The study materials contains specially designed exercises as per the newest pattern of various competitive examinations, a self monitoring stage by stage system helps you to analyses your own growth and boost your confidence gradually.

DREAMZ's Study Material is prepared by a team of highly experienced academicians and experts who have been preparing aspirants of pre-engineering, medicine. They have in-depth knowledge on their respective subjects, an extra ordinary capability to devise WB-JEE, IIT-JEE, AIEEE, AIPMT and a complete familiarity with current examination trends.

DREAMZ's Study Material introduces fundamental concepts in a very effective manner. It incorporates graduated set of illustrations to firmly grasp the fundamentals and concepts through their application in various situations. The study material is self sufficient. Hence there is no need for any other reference material.

DREAMZ's study material makes a student academically strong, temperamentally sound, methodical in approach, quick and accurate in applying concepts and psychologically tuned to the examination pattern.

DREAMZ's Study Material is in the form of booklets and each topic comprises of the following:

- (1) Topic wise complete theory notes with explanation
- (2) In chapter Examples
- (3) In chapter Exercises
- (4) Mnemonics
- (5) Miscellaneous Examples
- (6) Exercise Sheets
- (7) Complete solution

R&D centre

DREAMZ is the only Institute in the country with an educational research & development cell. DREAMZ 's team of course designers is continuously studying the latest examination trends, student's learning habits & examiners mind. Based on these findings, the R & D cell consistently refines, makes innovative modifications and contributes significantly to our teaching methodology.

About DREAMZ 's Faculty:

The DREAMZ's faculty team comprises of highly qualified, knowledgeable and experienced faculty members for each subject, the faculty members at DREAMZ always encourage students to raise their doubts, so that students could have sound understanding of the subjects. The faculty members do not restrict their teaching to the class only but extend their full guidance to students out side the class as well. The guidance by our faculty is complete in all respect hence DREAMZ's students need not any extra coaching from out side.

DREAMZ has a faculty development and training Cell, which continuously work to upgrade the academic standard of our faculty members. These faculty members are working under the consummate guidance of DREAMZ's founder Mr. Subhadip Ray, Director (Academics), a renowned academicians in the arena of competitive exams.

For every one, stability of experienced faculty member is a serious concern. In today's environment, most of the institutes are suffering from unstable faculty syndrome. Whereas at DREAMZ, we have developed a system to retain qualified and experienced faculty member with us. Usually our faculty members do not leave the institute in the mid of session. Even if under unavoidable circumstances, such event occurs, studies of our students never get affected as we have largest pool of highly experienced & qualified faculty members

Academic Life

1. Batch Formation and Batch shuffling

At the beginning of the academic session, the batches of students are formed on the basis of their performance in the Entrance Test. These batches remain unaltered for the first three consecutive internal periodic tests. On the basis of cumulative performance of the students in first three tests, the batches are restructured and this process is repeated after every three tests.

2. Attendance Policy

All students enrolled to the course are required to attend all classroom sessions and Test Series as per schedule given, except under the most unavoidable circumstances. Students are required to intimate the Attendance Management Cell (AMC) of the Academic Department for a planned absence from any session(s). For an unplanned absence due to illness etc. post-facto intimation is required from the absentee student. The student is required to return the filled Leave Application format citing reasons for his/her absence, along with his/her parent's address & supporting documents, so that a copy of his leave application with the Academic Department's comments, if any, may be sent to the parents by post.

Students are advised to thoroughly familiarize themselves with this policy, since the Academic Department views any non adherence to the policy very unfavorably.

3. Registration cum Identity Card

Identity card will be issued to student at the time of admission. Every student must produce his/her I-card while entering into the institute premises. Student without I-card will not be allowed to attend the classes. Duplicate I-card will be issued on cash payment of fine of Rs.25/- in case if a student loses his/her I-card.

4. Disciplinary Rules

1. Discipline and obedience are the dual keynotes to success. We expect from our student to maintain the same.
2. Attendance in the class should be regular.
3. A student must attend the lecture only in the batch allotted to him/her
4. Tutorial sheets and Identity card should be brought daily.
5. Home work assigned must be tried sincerely, when asked, must be shown in the lecture.
6. The instructions communicated through Notice Board should be followed in spirit.
7. The management takes every measure for the good career of the student for which the student's cooperation is expected.

CLASSROOM COURSES:

1. Courses for H.S, ISC & CBSE Examinations: (For The students of Class XI & XII)

Subjects	Weekly Hours	One time yearly payment	Course Fees(Monthly)
Physics, Chemistry, Math & Biology	8 hours	15500	1500
Any 3 of Physics, Chemistry, Math & Biology	6 hours	12500	1200
Any 2 of Physics, Chemistry, Math & Biology	4 hours	9000	850
Any 1 of Physics, Chemistry, Math & Biology	2 hours	4750	450

About the courses:

- Separate Batches will be provided for Higher Secondary, ISC & CBSE students.
- Admission Fee: Rs100/- (One time payment)
- Course starts from April to February (For Class XI & XII: For 11 months yearly)
- Payment can be given either in yearly or monthly payment option.
- Course fee of 2 months should be paid in time of admission for the option of monthly payment
- Course fee of 1st advance is for the first month and the fees of 2nd advance will be returned at the end of the course for the option of monthly payment
- Monthly course fee should be paid on and before of the 7th of every month.
- Daily assignment will be given to the student in the classroom courses, students have to be sincere to solve those assignments.
- Regular class-test will be conducted by the faculties after completing each chapter of a subject.
- These courses are included with the mock test on that particular subjects at free of cost

2. Course for 2 years Classroom program: For Class XI students

About the course:

- Payment can be given either in one time, yearly or installment payment option.
- Admission Fee: Rs100/- (One time payment)
- 1st half yearly installment has to pay in September, 2nd in March of next year and 3rd in September of next year.
- Installments should be paid on and before of the 7th of March or September.
- Besides preparing for competitive examination, student will be prepared for the respective board examination also in combined course.
- Daily assignment will be given to the student in the classroom courses, students have to be sincere to solve those assignments.
- Assignment booklets on each chapter will be given to the students for the home work and after their attempts the solution will be given to them.
- Regular class-test will be conducted by the faculties after completing each chapter of a subject.
- Doubt session period will be given to the students after each class to solve the doubts.
- Students will be given the test series course for the competitive examination at free of cost which consists of total 15 sets of Examination covering the entire syllabus dividing 10 unit test sets and 5 mock test sets.
- Courses are separated for different examinations-
 - a) For State Joint Entrance Examination: WB-JEE
 - b) For AIEEE
 - c) For IIT
 - d) For PMT
 - e) For IIT & PMT
 - f) For AIEEE & PMT

(a) For State Joint Entrance Examination: WB-JEE:

Courses		Total Hours/week	Total Course Fees	
Combined (Board Examination + WBJEE)	Engineering + Medical + PCMB	12 hours	50000	
	Engineering +	PCMB	11 hours	45000
		PCM	9 hours	40000
	Medical +	PCMB	11 hours	45000
PCB		9 hours	40000	
Only WBJEE	Engineering + Medical	4 hours	20000	
	Engineering	3 hours	15000	
	Medical	3 hours	15000	

Fees structure For State Joint Entrance Examination: WB-JEE:

Courses		Yearly payment	Installment payment		
			At the Time of admission	3 half yearly	
Combined (Board Examination + WBJEE)	Engineering + Medical + PCMB	25000	15000	12000	
	Engineering +	PCMB	22500	13000	11000
		PCM	20000	11000	10000
	Medical +	PCMB	22500	13000	11000
PCB		20000	11000	10000	
Only WBJEE	Engineering + Medical	10000	7500	4500	
	Engineering	7500	5500	3500	
	Medical	7500	5500	3500	

For WB-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of WBJEE through out the course period covering entire syllabus.

(b) For All India Engineering Entrance Examination: AIEEE:

Courses		Total Hours/ week	Total Course Fees	Yearly payment	Installment payment	
					Time of admission	3 half yearly installments
Combined (Board Examination + AIEEE)	PCMB	11 hours	45000	22500	13000	11000
	PCM	9 hours	40000	20000	11000	10000
Only AIEEE		3 hours	15000	7500	5500	3500

For AIEEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of AIEEE through out the course period covering entire syllabus
- AIEEE archives will be given to the students contained pervious year questions with detailed solution.

(c) For IIT-JEE:

Courses		Total Hours/ week	Total Course Fees	Yearly payment	Installment payment	
					Time of admission	3 half yearly installments
Combined (Board Examination + IIT)	PCMB	14 hours	60000	30000	20000	14000
	PCM	12 hours	55000	27500	17500	13000
Only IIT		6 hours	32000	16000	12000	7000

For IIT-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of IIT-JEE through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.

(d) For PMT:

Courses		Total Hours/ week	Total Course Fees	Yearly payment	Installment payment	
					Time of admission	3 half yearly installments
Combined (Board Examination + PMT)	PCMB	11 hours	45000	22500	13000	11000
	PCM	9 hours	40000	20000	11000	10000
Only PMT		3 hours	15000	7500	5500	3500

For PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for PMT through out the course period covering entire syllabus.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

(e) For AIEEE & PMT:

Courses	Total Hours/week	Total Course Fees	Yearly payment	Installment payment	
				Time of admission	3 half yearly installments
Combined(Board Examination with PCMB + AIEEE + PMT)	12 hours	50000	25000	15000	12000
AIEEE + PMT	4 hours	20000	10000	7500	4500

For AIEEE & PMT:

- 5 sets of study material booklets(6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of AIEEE & PMT through out the course period covering entire syllabus
- AIEEE & PMT archives will be given to the students contained pervious year questions with detailed solution.

(f) For IIT-JEE & PMT:

Courses	Total Hours/week	Total Course Fees	Yearly payment	Installment payment	
				Time of admission	2 half yearly installments
Combined (Board Examination with PCMB + IIT-JEE + PMT)	15 hours	65000	32500	25000	14000
IIT-JEE + PMT	7 hours	36000	18000	13500	8000

For IIT-JEE & PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of IIT-JEE & PMT through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

3. Course for 1 years Classroom program: For Class XII & Passed out

About the course:

- Payment can be given either in one time or installment payment option.
- Admission Fee: Rs100/- (One time payment)
- Monthly installments should be paid on and before of the 7th of month.
- Beside preparing for competitive examination, student will be prepared for the respective board examination also in Combined course.
- Daily assignment will be given to the student in the classroom courses, students have to be sincere to solve those assignments.
- Assignment booklets on each chapter will be given to the students for the home work and after their attempts the solution will be given to them.
- Regular class-test will be conducted by the faculties after completing each chapter of a subject.
- Doubt session period will be given to the students after each class to solve the doubts of each students.
- Students will be given the test series course for the competitive examination at free of cost which consists of total 15 sets of Examination covering the entire syllabus dividing 10 unit test sets and 5 mock test sets.
- Courses are separated for different examinations-
 - a) For State Joint Entrance Examination: WB-JEE
 - b) For AIEEE
 - c) For IIT
 - d) For PMT
 - e) For IIT & PMT
 - f) For AIEEE & PMT

(a) For State Joint Entrance Examination: WB-JEE:

Courses		Total Hours/week	Total Course Fees	
Combined (Board Examination + WBJEE)	Engineering + Medical + PCMB	16 hours	35000	
	Engineering +	PCMB	14 hours	30000
		PCM	12 hours	27500
	Medical +	PCMB	14 hours	30000
PCB		12 hours	27500	
Only WBJEE	Engineering + Medical	8 hours	20000	
	Engineering	6 hours	15000	
	Medical	6 hours	15000	

Fees structure For State Joint Entrance Examination: WB-JEE:

Courses		One time payment	Installment payment		
			At the Time of admission	3 monthly installments	
Combined (Board Examination + WBJEE)	Engineering + Medical + PCMB	35000	15000	7000	
	Engineering +	PCMB	30000	13000	6000
		PCM	27500	10500	6000
	Medical +	PCMB	30000	13000	6000
PCB		27500	10500	6000	
Only WBJEE	Engineering + Medical	20000	9000	4000	
	Engineering	15000	7000	3000	
	Medical	15000	7000	3000	

For WB-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of WBJEE through out the course period covering entire syllabus.

(b) For All India Engineering Entrance Examination: AIEEE:

Courses		Total Hours/week	Total Course Fees	One time payment	Installment payment	
					Time of admission	3 monthly installment
Combined (Board Examination + AIEEE)	PCMB	14 hours	30000	30000	13000	6000
	PCM	12 hours	27500	27500	10500	6000
Only AIEEE		6 hours	15000	15000	7000	3000

For AIEEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of AIEEE through out the course period covering entire syllabus
- AIEEE archives will be given to the students contained pervious year questions with detailed solution.

(c) For IIT-JEE:

Courses		Total Hours/week	Total Course Fees	One time payment	Installment payment	
					Time of admission	3 monthly installment
Combined (Board Examination + IIT-JEE)	PCMB	20 hours	45000	45000	16500	10000
	PCM	18 hours	42500	42500	13000	10000
Only IIT-JEE		12 hours	32000	32000	12000	7000

For IIT-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of IIT-JEE through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.

(d) For PMT:

Courses		Total Hours/week	Total Course Fees	One time payment	Installment payment	
					Time of admission	3 monthly installment
Combined (Board Examination + PMT)	PCMB	14 hours	30000	30000	13000	6000
	PCM	12 hours	27500	27500	10500	6000
Only PMT		6 hours	15000	15000	7000	3000

For PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for PMT through out the course period covering entire syllabus.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

(e) For AIEEE & PMT:

Courses	Total Hours/week	Total Course Fees	One time payment	Installment payment	
				Time of admission	3 monthly installment
Combined(Board Examination with PCMB + AIEEE + PMT)	16 hours	35000	35000	15000	7000
AIEEE + PMT	8 hours	20000	20000	9000	4000

For AIEEE & PMT:

- 5 sets of study material booklets(6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of AIEEE & PMT through out the course period covering entire syllabus
- AIEEE & PMT archives will be given to the students contained pervious year questions with detailed solution.

(f) For IIT-JEE & PMT:

Courses	Total Hours/week	Total Course Fees	One time payment	Installment payment	
				Time of admission	3 monthly installment
Combined (Board Examination with PCMB + IIT-JEE + PMT)	22 hours	50000	50000	25000	9000
IIT-JEE + PMT	14 hours	36000	36000	13500	8000

For IIT-JEE & PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of IIT-JEE & PMT through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

Crush course Series:

About the course:

- Payment can be given in one time payment option.
- Admission Fee: Rs100/- (One time payment)
- Course will be started from November of the year. 4 hours/subject/week will be allotted for the course.
- Daily assignment will be given to the student in the classroom courses, students have to be sincere to solve those assignments.
- 2 set of crush booklets of each subject covering the entire syllabus will be given to the students. For IIT crash course 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely and 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.

- Doubt session period will be given to the students after each class to solve the doubts of each students.
- Students will be given the Mock test series course for the competitive examination at free of cost which consists of total 5 sets of Examination covering the entire syllabus.
- Courses are separated for different examinations-
 - a) For State Joint Entrance Examination: WB-JEE
 - b) For AIEEE
 - c) For IIT
 - d) For PMT
 - e) For IIT & PMT
 - f) For AIEEE & PMT

Courses		Total Hours	Total Course Fees: (one time payment)
WB-JEE	Combined (Engineering & Medical)	250+ hours	9000
	Engineering / Medical	190+ hours	7000
AIEEE		190+ hours	7000
IIT		285+ hours	12000
PMT		190+ hours	7000
AIEEE + PMT		250+ hours	9500
IIT + PMT		350+ hours	15000

5. Test Series (For The students of Class XII and Passed out):

About the course:

- Payment can be given either in one time or installment payment option.
- Monthly installments should be paid on and before of the 7th of every month.
- Admission Fee: Rs100/- (One time payment)
- This course consists of total 15 sets of Examination covering the entire syllabus dividing 10 unit test sets and 5 mock test sets. (45 tests for combined and 30 tests for Engineering/Medical)
- Checked answer sheet will be given to the students along with the correct answer sheet with the detailed solutions.
- Doubt session period will be given to the students after each set of tests to solve the doubts
- Courses are separated for different examinations-
 - a) For State Joint Entrance Examination: WB-JEE
 - b) For AIEEE
 - c) For IIT
 - d) For PMT
 - e) For IIT & PMT
 - f) For AIEEE & PMT

(a) For State Joint Entrance Examination: WB-JEE:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
Engineering + Medical	6000	3000	1200
Engineering	5000	2500	1000
Medical	5000	2500	1000

For WB-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of WB-JEE through out the course period covering entire syllabus.

(b) For All India Engineering Entrance Examination: AIEEE:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
AIEEE	6000	3000	1200

For AIEEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of AIEEE through out the course period covering entire syllabus
- AIEEE archives will be given to the students contained pervious year questions with detailed solution.

(c) For IIT-JEE:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
IIT-JEE	7500	4000	1400

For IIT-JEE:

- 5 sets of study material booklets on each subject will be supplied to the student for the preparation of IIT-JEE through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.

(d) For PMT:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
PMT	6000	3000	1200

For PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for PMT through out the course period covering entire syllabus.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

(e) For AIEEE & PMT:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
AIEEE + PMT	7500	4000	1400

For AIEEE & PMT:

- 5 sets of study material booklets(6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of AIEEE & PMT through out the course period covering entire syllabus
- AIEEE & PMT archives will be given to the students contained pervious year questions with detailed solution.

(f) For IIT-JEE & PMT:

Courses	One time payment	Installment payment	
		Time of admission	3 monthly installment
IIT-JEE + PMT	9000	5000	1500

For IIT-JEE & PMT:

- 5 sets of study material booklets (6 sets of booklets for Biology) on each subject will be supplied to the student for the preparation of IIT-JEE & PMT through out the course period covering entire syllabus covering entire syllabus.
- 3 sets of numerical problems booklets on each subject will be supplied to the student for the preparation of IIT-JEE numerical problems sincerely
- 2 sets of IIT-JEE Archive booklets with solutions on each subject will be supplied to the student for the preparation of chapter wise IIT-JEE previous years questions.
- PMT archives will be given to the students contained pervious year questions with detailed solution.

6. Mock Test Series:

About the course:

- Payment can be given in one time payment option.
- Admission Fee: Rs 100/- (One time payment)
